

Assotech Realty in association with 'au fait Fincare' Helped Investors to Understand of Potential of Real Estate in Delhi NCR

Assotech Realty hosts investor meet in Patna

Patna; 12th October, 2014: Assotech Realty Pvt Ltd, a prominent developer of Delhi NCR region had organized an investor's meet in association with its channel partner 'au Fait Fincare' a real estate consultancy professionally managed by a group of erudite people (who themselves are CA's and CS's).

The company also launched special investment schemes for investors in their stellar project 'Assotech Business Crestera' at Sector 135, Noida Expressway dwelling onto the investment module and its feasibility.

An august presence of 80 high profile delegates was witnessed comprising of doctors, advocates and businessmen. The investors meet focussed on the dynamics of real estate sector in Delhi and NCR thereby explaining them the investment potential of the Delhi/NCR region especially Expressway, Noida which is at the cusp of exponentially potential growth. The event elucidated future prospects of the organized commercial estate on Noida Expressway.

Commenting on the occasion, **Mr. Salil Kumar, Director, Assotech Realty Pvt. Ltd**, said, "Noida Expressway is a fast growing IT & ITES commercial hub on the international grid. The region boasts of sound infrastructural facilities and has adequate rail (in the future) and road connectivity of international standard. Adding on to the recent development in government policies on FDI in retail has lured investors across the globe to harbour in the upcoming area. It houses world renowned corporate offices such as Metlife, TCS, Accenture, KPMG, India Mart, etc. Infosys has acquired 25 acres on the expressway to set up its largest North India campus. Realising the opportunity Assotech Realty has come up with one of the best Integrated Business Park – Assotech Business poised to be the hall mark for commercial real estate development in northern India never experienced before."

Commenting on the occasion, CA Mr. Rajiv Ranjan, **Director, au fait Fincare Pvt. Ltd**. said, "that Patna is an untapped market and has a lot of investor base that are looking for trustworthy and safe investments with reputed developers. And Assotech Realty was an obvious choice and hence the project ABC."

The eye opener event unravelling the potential of investment for prospective buyers and investors was very well received and appreciated by the delegates.
